How It Works

Eco Encore collects donated items and sells them online to maximize their value, then directs proceeds from the sales to local environmental groups.

We pick up your items, we sell them, we ship them - all you have to do is set up a time for pickup and then choose which of our recipient organizations you want the money to go to. That's it!

*Give us a call us at 206.547.1517 or email us at
donations@ecoencore.org and we'll pick up your used items!*

Eco Encore is the quintessential Northwest project. What a wonderful example of how local creativity and resourcefulness can help us to ensure a sustainable world!"
